Roderick- is my really mean older brother. He is very lazy, and he plays in a band and he thinks he is going to have a big record but I can tell you that he is not.

Rowley-is my best friend even though he is a huge dork. One time he was kicking a pillow so when he went upstairs I put a weight under the pillow so when he kicked it he broke his toe.

Danny- is my little brother he always tells on me, and when he breaks my stuff he always uses the same excuse, "I'm ownwy thwee"

About Me:

In the beginning of my story I am on the swim team but I don't like swimming so I go to the bath room and stay there until practice is over. Next I have to go to school. A few weeks later my friend Rowley shows up from Australia. And then a few weeks after that my other friend shows up but we played a joke on him by pretending he was not even there. Finally he told the principal and I got in trouble. After that was the big talent show Rodrick And his band where playing in. then the worst part was when Roderick told everyone my big secret
